SELF-PUBLISH Your Cookbook

InstantPublisher.com

You write the book...
Instantpublisher.com will do the rest

Just \$158.50 for 25 copies with 100 recipe pages and a full-color custom cover design in 10 days or less!

Instantpublisher.com has developed free software that will allow you to create your cookbook in any Microsoft Windows-based or Mac-based application and transfer it over the internet to publish from 25 to 5,000 copies in less than 10 days.

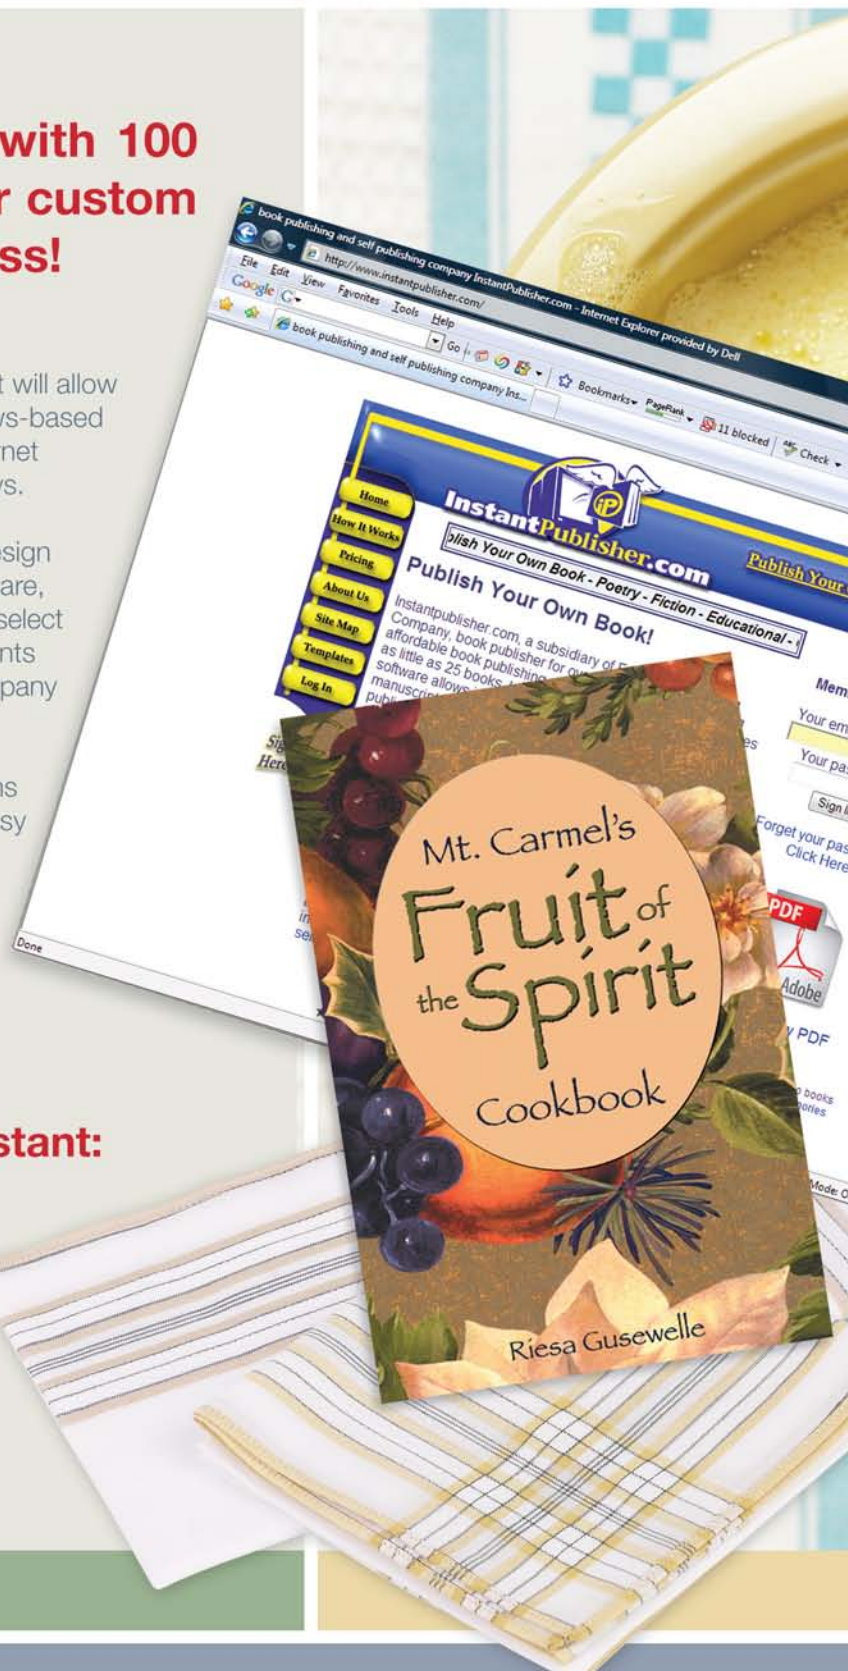

Our unique custom software will let you create and design your cookbook, print to POD (Print on Demand) software, view your cookbook on the web exactly as submitted, select publishing options and place your order using the talents and ultra-modern equipment of a book-publishing company – all from the ease of your home or office computer.

Instantpublisher.com can make your publishing dreams come true. You can price any size of book with the easy pricing screen on Instantpublisher.com.

Everyone has at least one cookbook to print. Gather all your loose recipes and let Instantpublisher.com show you how easy it is to publish your own cookbook!

Publish Your COOKBOOK ON CD

You can now have your cookbook published on a personalized CD

The CD label will be personalized with your group's name, making the custom CD a professional product that can be sold separately or bundled with your fundraising cookbook.

When your customers load the CD into their computers, they will see your front cover along with the complete cookbook. They will be able to navigate to the section index, click on a recipe, view it on the screen and even print it. The cookbook on CD is fast and easy to use.

For only \$3.50 each and a minimum order of 25 CDs, this is a wonderful option to bundle with your printed cookbooks or sell the CD by itself.
